

What's going on in our area?

I have a number of loves in my life – my fiancé, my stepson, my puppy and (coming August 2024!) my daughter! However I also love data, and believe that sharing it in a useful way is beneficial for all of us. As such I have delved into my various systems to give you a flavour of what is going on in Lydden, Temple Ewell, River, Denton & Wootton the past 6 weeks or so:

35 crimes recorded since Feb 1st. Worryingly we have had 5 reports of theft from the Co-Op during this time, I will ensure our patrols are stepped up and am pleased to see my colleagues are investigating all of these reports proportionately.

96 incidents reported to Kent Police. Plenty of reports of poor driving in the villages, however worth noting that around half of these reports were resolved without deployment. This means we were able to resolve the issue over the phone, or Police were not the most appropriate agency to deal. See below for more on this...

Your local officer is
PC 30258 Chris Bates

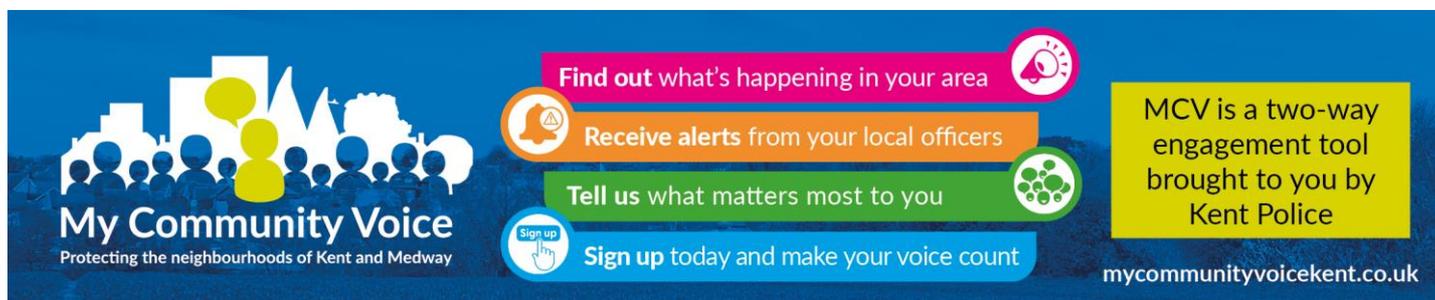

Drop-in surgery

- I do not have a regular surgery in your area. However I will be attending the River Parish Council on 09/04/2024 and Lydden on 11/04/2024.

How do I report ASB?

When there is no immediate risk to people or property, it is always best to report matters to us either using 101 or through our website. We now have live chat available at all times, and you can report ASB easily via a simple form. Visit www.kent.police.uk and follow the prompts for 'Report' and you will soon find an option for 'Report antisocial behaviour'. It is worth considering who is the most appropriate agency for your report – noise complaints, fly tipping or other waste material related issues and parking are all better addressed to Dover District Council via their website or 01304 872220.
